Dear Parents

At Springfield international school we are excited to launch Sustainability for a Greener Future write Ms Madeeha, a programme aimed at teaching students the importance of recycling, reusing, and reducing waste. Through creative, hands-on projects, students will learn how small actions can positively impact the environment.

We kindly ask parents to support this initiative by sending recyclable materials such as plastic bottles, cardboard boxes, old newspapers, and scrap fabric. These items will be used in classroom activities to promote both creativity and environmental awareness.

Together, we can empower our students to build a greener future!

Ms. Madeeha

Hola from Ms. Salma!

In Springfield International School, cultural diversity is one of our main values. We were delighted to celebrate the European Day of Languages on the 26th of September. It was a great opportunity to learn more about Europe, different cultures and countries. It also helped students to have basic information about the continent. Teachers helped us by having a theme country for every class. Classrooms were decorated to enjoy the vibes of different countries like Italy, France, Russia, Spain, UK and Ireland. We did craft and organized competitions at the end of the event.

Ciao!

See you next year!

**Congrats this week go to our Healthy Lifestyle and Kindness award winners:
JUDY HOSSAM, HAMDAN MOHAMED, ALIA MOHAMED, ABDUL MANAN, ALINA KHORSHED**

Continuing our theme of Healthy Lifestyles we celebrated World Heart Day starting the day with an assembly from our fabulous school nurse Ms Sinisha and pursuing activities during the day in class. It was a very rewarding fun and educational experience.

Parents in Partnership

We held another Weekly Parents in Partnership session which was led by our wonderful parents. We had our Inaugural Parents Association meeting in which we discussed the possible structure and future events and activities. We have an amazing community here at SIS and are super keen to foster and develop relationships. We truly value our partnership between home and school and relish every opportunity to work together with our marvelous parents with our outstanding young learners at the heart of everything we do.

Parent Teacher Student Conferences

As we approach the mid-term break, we would like to invite you to discuss the achievements and progress of your child with their class and specialist teachers at our October Parent Teacher Student Conferences.

The Parent Teacher Student Conference is an opportunity for parents, teachers and students to sit together to identify, celebrate and communicate how the children are settling, their achievements, their targets, and explore some of the learning they have been engaging with.

These will be held on Friday 11th October.

Class Teachers will be in their classrooms. Parents have assigned the below times. Please click on your Year Group in your message in Seesaw to see your time slot.

FS1 – Miss Danielle

FS2 – Miss Saffron

Year 1 – Miss Susie

Year 2 – Miss Maryam

Year 3 – Miss Ella

Year 4 – Miss Ruth

Year 5 + 6 – Miss Aqsa

Specialist Teachers will be in their teaching areas. Either side of your time slot, you are welcome to drop in and meet with a specialist teacher.

Please note that on Friday 11th October, there will be no lessons. Parents can attend their meeting, and children can go home with parents once the meeting has concluded.

Note, there will be no school buses operating on this day.

Many thanks for all your support in this and we look forward to seeing you in school with your children on Friday 11th October.
